

ADDENDUM #1

RFA-2022-DLTSS-06-FAMIL

Family-Family Services

(Changes are indicated in ***bold, italicized and underlined text*** in order to assist the reader with quickly identifying changes in the RFA.)

On February 18, 2021, the New Hampshire Department of Health and Human Services published a Request for Applications, soliciting applications for the provision of Family-To-Family Services operated by and for parents of children with and without special health care needs (CSHCN) to support families and caregivers by action as a clearinghouse of information, education and resources to enhance family knowledge and the ability to better manage the impact of their child's special health needs.

The Department is publishing this addendum to:

1. **Modify Section 1.6, Mandatory Responses to RFA Questions, Q3, to read:**

Q3. Describe, in narrative form, your experience in assisting the target population, which includes children and youth with and without special health care needs from birth to twenty-one (21) years of age and their families.

2. **Modify Section 1.6, Mandatory Responses to RFA Questions, Q4, to read:**

Q4. Describe your knowledge of the needs of the population served, which includes children and youth with and without special health care needs from birth to twenty-one (21) years of age and their families.

3. **Modify Section 1.6, Mandatory Responses to RFA Questions, Q5, to read:**

Q5. What is your experience with convening and facilitating interdisciplinary teams? Include your experience in collaborating with other professional disciplines, families, and stakeholders.
